Honorable John N. McMahon  
Deputy Director of Central Intelligence  
Washington, D. C. 20505

Dear Mr. McMahon:

Having met with you briefly last year at the Holy Cross Club luncheon, I am taking the liberty of forwarding a copy of my resume for your review, with an eye toward possible employment with the Central Intelligence Agency. I would certainly appreciate your consideration.

As my resume indicates, my legal background in the federal government is highly diversified and has afforded me unique opportunities and insights. While I have found my association with the Secret Service most enjoyable, it is my desire to seek wider responsibilities at this stage of my career. I am certain that the application of my talents to the operations of your agency would be mutually beneficial.

Again, thank you very much for your consideration. I would be most eager to meet with you or a representative of your Counsel's office to discuss employment possibilities.

Sincerely,

Enclosure
